Garvan Acoustic Sound System at
WORLD DUCATI WEEK

EN Our activity was born in Faenza in 2005, where we started as manufacturers of architectural acoustic loudspeakers with a clear mission: to create acoustic solutions that positively influence people's lives. We have in-house, specialised audio technicians who, through their experience and passion and thanks to cutting-edge audio equipment and a semi-anechoic chamber, manufacture the finest and best solutions.

IT Siamo nati a Faenza nel 2005 come produttori di diffusori acustici architettonici con una chiara missione: creare soluzioni acustiche che influenzino positivamente la vita delle persone. Grazie all'esperienza e alla passione dei nostri tecnici audio specializzati, strumentazioni audio all'avanguardia e una sala semi anecoica, realizziamo soluzioni innovative.

FR Notre activité commence en 2005 en tant que producteurs de haut-parleurs acoustiques architecturaux avec une mission claire: créer des solutions acoustiques qui influencent positivement la vie des gens. Des techniciens spécialisés dans l'audio travaillent dans l'équipe Garvan, auprès de notre siège. Grâce à leur expérience et passion et en utilisant des équipements audios de pointe et une salle semi-anéchoïque, ils réalisent des solutions de jour en jour meilleures.

DE Wir wurden 2005 in Faenza als Hersteller von design Akustiklautsprechern mit einer klaren Mission geboren: Akustiklösungen zu schaffen, die das Leben der Menschen positiv beeinflussen. Unsere interne Audiotechniker haben eine große Erfahrung und Leidenschaft und realisieren durch die modernsten Audiogeräte und eine Halb-reflexionsfreie Kammer immer bessere Lösungen.

EN The minimal steel design and the wide range of customisation options allow the perfect integration of CORO by Garvan Acoustic® in any environment, where they diffuse a deep and engaging sound. Available with or without frame, with front side in grid or fabric, glossy or matt lacquer in each RAL/NCS colour and exclusive finishes in stainless steel, Corten effect, gold, copper or custom effect.

IT Il design minimal in acciaio e l'infinita possibilità di personalizzarne l'estetica consentono a CORO di Garvan Acoustic® di calarsi in ogni ambiente regalando un suono profondo e coinvolgente. Disponibile con o senza cornice frontale, in griglia o tessuto, laccatura lucida o opaca in ogni RAL/NCS e nelle finiture esclusive inox, effetto corten, oro, rame o custom.

FR Le design minimal en acier et une haute gamme de personnalisations esthétiques permettent à CORO de Garvan Acoustic® de s'intégrer à tout environnement avec un son profond et engageant. Disponibles avec ou sans cadre, paroi avant en grille ou en tissu, vernis brillant ou mat dans chaque couleur de la gamme RAL/NCS et dans des finitions exclusives en acier inoxydable, effet Corten, or, cuivre ou effet personnalisé.

DE Dank dem minimalen Stahl-Design und der breiten Wahl an Optionen, um die ästhetischen Bestandteile anzupassen, integriert sich die CORO Kollektion von Garvan Acoustic® in jede Umgebung, wo sie einen tiefen und einnehmenden Klang wiedergibt. Erhältlich mit oder ohne Rahmen, Front in Gitter oder Stoff, glänzend oder matt lackiert in jedem RAL/NCS Farbe und mit exklusiven Ausführungen in Edelstahl, Corten, Gold, Kupfer oder Custom-Effekt.
